### **Dear friends in Christ,**

Peace be with you! The summer is "fly by", as they say. Soon school will begin. Please pray for all teachers and students as they prepare for a new school year. We pray that the Holy Spirit will shower upon them His gifts of wisdom, knowledge, and understanding.

This week we celebrate a Holy Day of Obligation as we celebrate the Solemnity of the Assumption of the Blessed Virgin Mary into Heaven. All Catholics should go to Mass on this special day. Please check the Mass schedule in this bulletin and plan on attending Mass either on Thursday evening or on Friday.

In today's first reading from the Book of Kings, we hear about Elijah's encounter with God at the mountain of Horeb. Elijah did not encounter God in a strong wind and storm, nor in an earthquake or fire. He encountered God in a tiny whispering sound. As you recall, Moses encountered God on a mountain also. Usually there was a burning bush or lightening and thunder, and, also some smoke. However, Elijah's encounter was different. How do we look to have an encounter with God? Do we look to encounter Him in a bunch of noise and shouting? Or in jumping up and down and yelling? Or in some kind of babbling that no one can understand? Or do we look to encounter God in the quietness of our hearts? God wants each of us to have a special encounter with Him. Where are we going and where are we looking for this encounter? Look within your heart. See His presence in the Eucharist and in the Sacrament of Reconciliation...two special ways that God wants to speak to you and be with you. It is sad that so many choose not to allow this encounter to happen. May our faith always overcome our pride.

In today's Gospel, Peter had a special encounter with Jesus on the sea. The disciples had left in a boat while Jesus went up the mountain to pray. A storm begins and a strong wind rocks the boat and a very scary situation arises. The disciples see Jesus walking on the water towards them. At first they thought He was a ghost. Then Jesus calls out to them. Peter wants to make sure it is Jesus so he tells Jesus to let him also walk out on the water to meet Him. Jesus tells Peter to come out on the water but after a little while Peter begins to sink. He cries out to the Lord to save him. Jesus stretched out His hand and caught Peter. They went back to the boat and the storm died down. In the boat they worshiped Jesus. Jesus was letting Peter know that without Him he will drown. That is the way it is for us. Without Jesus, we will drown in this world of sin. We need to grasp the hand of Jesus and allow Him to pull us up. However, we, like Peter, often think we can do it ourselves. When we do, we run into trouble. The wind and waves of life become too much for us. Peter learned an important lesson, a lesson that would prepare him to become the leader of the apostles and of the early Church. His faith grew. Let us often call out to Jesus to save us and allow Him to grasp our hand and lead us in this journey of life. With Him we can overcome anything and rise to the heights of heaven.

May all of you have a most blessed week.

**In Christ,
