#### **Parish Mission Prayer**

Heavenly Father, in a short time, our parish will begin its special time of mission. Open the hearts and minds of each one of us so that we might receive your word with eager joy. Let this parish and its members be the "good ground" in which the sower's seed will take deep root and produce an abundant harvest. Bless the missionary who will open your word for us with his preaching. May he be a gentle but ardent and faithful servant of your good news. Help us to invite and welcome, into our parish community, all of those who may feel distant from your loving care. May charity and our witness to faith help them to find you once again. Through the intercession of Mary, your Mother and first disciple, help us to make the local community of faithful disciples. May this parish mission strengthen our faith and help us in our desire to serve you until "your kingdom come and your will be done." We ask this through our Lord, Jesus Christ, who lives and reigns with you and the Holy Spirit, One God, forever and ever. AMEN.

#### **Dear friends in Christ,**

Peace be with you! October is the month of the Rosary. Please pray the rosary with your family each day and experience a new life in Jesus.

October is also Respect Life Month. Pray for respect for life in all its stages, from natural conception to natural death. People wonder why there are so many shootings in our country in our day and time. It is because there is a lack of respect for life. People do not see each human being as being made in the image and likeness of God. They do not see each person as being sacred. Since it is legal to kill babies in the womb through abortion, many people also see it as ok to kill anyone who becomes an inconvenience to them. One mortal sin leads to another. Pray that life may be respected in our country once again.

In today's Gospel, Jesus stresses the importance of keeping the Ten Commandments. The rich, young man could not let go of his riches and material possessions in order to follow Jesus. Like him, many people of today cannot let go of sins that are causing them not to be faithful to Jesus. These sins may include greed, selfishness, sinful relationships, living together before marriage, fornication, birth control, drunkenness, drugs, pride and many other sins. If we are involved in these sins, then we are not keeping the commandments and we are not really following Jesus, we are only following ourselves. Let us say "yes" to Jesus and "no" to these other things that separate us from our Lord and from one another.

May all of you have a very delightful week.

**In Christ, Fr. Stephen Nestrta, farář**
